The screenshot shows the Bitwar Data Recovery software interface. At the top, there is a title bar with the logo and version number '6.47', a shopping cart icon, and a 'Register' button. Below the title bar, there are several file type selection options, each with a checked checkbox and a descriptive text:

- Select All Types**: Scan all types of files. Please check this option if you do not know what type of file you want to retrieve.
- Images/Photos**: Common image files and photos, such as JPG, JPEG, BMP, GIF, PSD, etc.
- Audio**: Common audio files, such as MP3, WMA, WAV, MIDI, AAC, etc.
- Document**: Common document files, such as Word, Excel, PPT, TXT, PDF, etc.
- Video**: Common video files, such as MP4, RMVB, AVI, MOV, SWF, etc.
- Compressed File**: Common compressed files, such as RAR, ZIP, ISO, 7Z, JAR, CAB, etc.
- Others Files**: Recover Emails or other types not mentioned above.

At the bottom of the interface, there is a blue navigation bar with icons for 'Bitwar for Mobile', 'Contact Us', 'Import', and 'Back', along with a large 'Scan' button.
